July/August 2017

Be more involved in your child's learning...

Introducing Storypark at The Kidz X-press

What is Storypark??

Storypark is an easy-to-use private online service that helps parents, families and teachers work together to record, share and extend children's learning. You can capture a child's development by posting photos, videos, stories, notes and comments.

To better help all of our parents and caregivers to understand we have attached a Storypark flyer to the back of our newsletter.

With all families participation in supplying an email address to us we are working towards having our Storypark up and running on Monday the 28th of August for all to access.

If you have any further questions please see Miss Erin or Miss Rosie.

Quality

Improvement

Plan - QIP

The National Regulations require all services to have a Quality Improvement Plan.

The aim of The Quality Improvement Plan, QIP is to help providers self-assess their performance in delivering quality education and care, and to plan future improvements.

To ensure all parents and Caregivers are also involved and have input into our QIP at The Kidz X-press we would appreciate if you could please take some time to complete and return the survey attached to this newsletter to further assist us in evaluating our programs and services that we offer.

It is quite a lengthy survey and we do greatly appreciate all time spent to fill survey. All surveys will be used to better the future of all children and families who attend our centre.

Book Week 2017

During the week 19th-26th of August 2017, all of the children at The Kidz X-press childcare centre had the opportunity to celebrate **Children's Book Week** participating in various activities indoors and outdoors in their rooms and as a whole group.

On Thursday the 24th we had dress up day where the children came dressed as their favorite book characters to share in the love of literature.

Miss Rosie and Miss Danielle's Kindergarten Room goes on an excursion...

To further celebrate Book Week our Kindergarten class joined our local community and walked down to Cleveland libraries special event 'Pop up Library in the Park' on Thursday the 24th of August. The children enjoyed a picnic morning tea in the park then had time to play on the park before sitting down with the librarians and other children and adults from our local community to listen to some stories. Later the children were offered even more activities, drawing, chalk art and making music with instruments. As a thank you for visiting the library all of the children were given a hat from the librarians to take home ☺ this was a much

enjoyed excursion by all children and staff and we are now looking to further the children's interest in this activity by introducing more regular visits to our local Cleveland Library each fortnight.
